## Letter from the President

In March we talked about the Vendor Fair. We hope to officially change the name to the Hadley Holiday Fair this month, please make any comments to me or Suzanne on or before the meeting date of the 15th to take into consideration, thanks. We decided to have all the vendors in the gym and put the food/raffle/auction in the cafe along with Santa. We plan to have singers in the gym and other small performances to attract shoppers and make for a festive feeling all around.

Please bring any ideas on new fundraisers; if you have the idea it does not mean that you have to chair.....but we would like that, LOL. I have a few ideas sent to me by email. We may want to consider flip flopping a fundraising campaign with another, year to year, to mix it up. We did not get a chance in March to talk about any other ideas, we hope to in April.

The web site sub committee met in April to update the site and make sure the list of items for recycling is up on site. We established a payment system; PayPal on web site and a mobile swipe system to be used at our events for payment convenience.

April 6th was Candidate's Night at HA; thanks to Peg Jek and Jessica West for heading up this event. It was well attended and taped for Hadley Public TV to watch during the week before the election. We are allowed to have our Recycling Day flyer at voting on Tuesday, the 14th.

On April 14<sup>th</sup>, the HMC is sponsoring pizza and waters for the Central Rock Climbing Wall fundraiser from 9-2.

April 15th our superintendent of schools, Anne McKenzie has agreed to speak to our group. I told her a brief overview of budget would be helpful but expect questions from the group.

April 25 Recycling Day at HES from 8-1. There will be bottle and can drive for the HA Band Boosters and the Salvation Army Truck will be there from 12-1.

May the 7th is Town Meeting we provide refreshments, 7 pm.
