## *Letter from the President*

Community Outreach, this subcommittee has been very busy! We approved budget for this committee \$1000 for December-June.

We did cancel our Recycling Day for this fall. John was not comfortable with doing this event at this time. We will have this event in April of 2021.

Abby and Ellen our membership leaders have come up with a Bingo night after our business meeting 10/21. We approved money for prizes, the girls will get local gift certificates. They will advertise this night on FB and through the superintendent's weekly message to families.

The HHF subcommittee will work with the Web Site subcommittee on getting all the Vendors from 2019 links and contact info on the home page of our web site. We hope to promote them on FB around the holiday buying season. The date for the fair next year is 11/20/21.

We are still looking into masks for both schools as backups. We set up a matrix of giving for folks that pass away; member and/or immediate family \$50 to fund or other way to help the family and \$25 for any other, meaning family that served the town for years, etc.

Queen was Cathy West, name picked by Patrick Devine.

UMass Amherst Community Campaign. This is a University annual appeal to offer the opportunity to donate to your favorite charities or causes. It is an easy way to help those in need by utilizing the bi-weekly payroll deduction or a one-time check donation. Since 1991, the University faculty and staff have donated almost \$8 million dollars to local, state, national and international causes. None of your donation stays on campus. Your money doesn't pay the salary of the campaign manager. The University doesn't benefit financially from the funds raised. 93% of all UMACC donations are sent to the nonprofit organizations. The 7% administrative fee goes to the Campaign Financial Administrator (United Way of Hampshire County), which collects and processes donations.
