

Scholarship Application

Hadley Mothers' Club was established in 1944 by a group of Hadley moms wanting to buy books for a new kindergarten class.

The club primarily gives money to the schools for items above the school budget. Past donations have included: 2-3 scholarships annually to Hopkins Academy graduates, full underwriting of the new HPS messaging system, girls/boys state and sports banquets, band trips, senior trips, field trips and recorders for the 3rd grade, 6th grade celebration, and start-up funds for Girl Scout and Cub Scout troops.

The club is also involved in the community by holding events to benefit the residents of Hadley, such as: Candidates' Night, which is held before town elections, so voters can meet the candidates and ask questions of them; providing refreshments at the two Town Meetings; and organizing an annual Recycling Day as a service to the community.

Deadline for applications: Friday, May 6, 2022
