

Hadley Mothers' Club is a not-for-profit organization started in 1944 for young mothers to gather socially and discuss subjects of common interest and render public service. The group's first project was establishing a kindergarten class in 1945, with continued support by donating classroom materials in 1946.

Since that time, the Hadley Mothers' Club has continued to support Hadley schools and the community through numerous fundraising events & programs including annual \$350 scholarships to Hadley high school graduates.

Deadline for annual scholarship applications: Monday, May 1, 2023

Please email completed applications to: hmothersclub@gmail.com

- ⇒ Interviews will be conducted during the week of May 8-12 (zoom or in-person options)
