****MORE TO COME****

LETTER FROM OUR PRESIDENT

Thank you, Lillian Weir, for doing with us the lovely mason jars and flowers last month.

Chris Pip is working on a thank you for the Calendar Raffle, we plan to stuff and address all at the meeting. Many hands make light work!

I am working on the Share the Love campaign again. I checked in with all the town and community organizations we had on the list last time. Pretty much each group said to keep the needs the same for this year's application. I talked with my contact at SL and he says to send mid-April to him. He did not have any suggestions for the application. The dealership has been sold not sure if that means anything in regard to the Share the Love program. We have Missy and Jennifer G. working on the web site hopefully will be up and running by the end of May.

Information is being gathered about the backpack program. We are gathering costs per backpack and other supplies to have on hand at each school throughout the year. We hope to vote on these funds at our meeting. Open house at each school is April 27 th . If anyone can spare some time to help our Membership subcommittee that night it would be great. That would be Abby, Diane West or Ellen.

May is our dinner, we did not pick a date. Anyone want to organize? Please let Denise know. Thanks.

Cathy West asked to be replaced as treasurer starting the fall. She is willing to train the member. If anyone is interested, please contact me or Suzanne. Thank you!

We have a new moderator! Scott Channel will be helping us this year! We will need a few members there to help time the speeches. Candidate's Night is May 8 th in person at Hopkins Academy. Peg Jekanowski and Denise will be organizing this event.

If anyone asks about Hadley Mothers Club be sure to send them to our great web site: www.hadleymothersclub.org!

Please pass this on to anyone you know who works at UMass we are on the list for contributions. Thank you! K15205 is our COMEC code.

UMass Amherst Community Campaign . This is a University annual appeal to offer the opportunity to donate to your favorite charities or causes. It is an easy way to help those in need by utilizing the bi-weekly payroll deduction or a one-time check donation. Since 1991, the University faculty and staff have donated almost \$8 million dollars to local, state, national and international causes.

None of your donation stays on campus. Your money doesn't pay the salary of the campaign manager. The University doesn't benefit financially from the funds raised. 93% of all UMACC donations are sent to the nonprofit organizations. The 7% administrative fee goes to the Campaign Financial Administrator (United Way of Hampshire County), which collects and processes donations.

Welcome Spring
